

Muhammad Talha Zaheer

Computer Scientist — Agentic AI Developer — Cybersecurity

Sialkot, Punjab, Pakistan

zaheertalha123@gmail.com — +92 318 7768296 — linkedin.com/in/zaheertalha123 — talhazaheer.dev

PROFESSIONAL SUMMARY

Computer scientist specializing in Agentic AI and secure software architecture. Experienced in building autonomous AI solutions with Next.js, Node.js, and the Vercel AI SDK—including tool calling, streaming generation, and production deployment. Combines full-stack development with a defensive security mindset shaped by hands-on cybersecurity training and instruction. Passionate about technical education, community leadership, and designing intelligent systems that are both innovative and secure.

CORE COMPETENCIES

AI & Development

Agentic AI, LLMs, Vercel AI SDK, Tool Calling, Next.js, React, Node.js, Python

Cybersecurity

Incident Response, Penetration Testing, OWASP Top 10, Network Analysis, OSINT, Digital Forensics

Tools & Platforms

Kali Linux, Wireshark, Nmap, Burp Suite, LM Studio, HuggingFace, Docker, Git, Vercel

Leadership

Technical Instruction, Curriculum Design, Team Leadership, Community Mentorship

PROFESSIONAL EXPERIENCE

Pacifica Trucks LLC

AI Developer

Jul 2025 – May 2026

Long Beach, CA (Remote)

- Engineer autonomous AI solutions using Agentic AI architectures for real-world business workflows.
- Build intelligent agents with tool calling, structured outputs, and real-time streaming via the Vercel AI SDK.
- Deploy scalable, production-grade AI applications on modern full-stack environments (Next.js, Node.js).

Core Edge Solutions

Full Stack Developer

May 2025 – May 2026

Lahore, Pakistan

- Develop and maintain full-stack web applications across frontend and backend layers.
- Integrate APIs, manage application state, and deliver secure, performant features for client projects.
- Collaborate in agile workflows to ship production-ready software on schedule.

Skill Bridge Pakistan

Technical Instructor

Dec 2025 – Jan 2026

Lahore, Pakistan

- Designed and recorded two 24-lecture video curricula: *Building AI Agents* and *Practical Cyber Security*.
- Agentic AI Course:** Taught Vercel AI SDK, Next.js App Router, tool calling, local LLM deployment (LM Studio, HuggingFace), and production deployment of agentic chatbots on Vercel.
- Cybersecurity Course:** Delivered hands-on labs covering Kali Linux environments, Wireshark traffic analysis, Nmap reconnaissance, Burp Suite web app testing (OWASP Top 10), EternalBlue exploitation, and vulnerability reporting.

Hack The Box

Meetup Host & Ambassador

Apr 2025 – Present

Lahore, Pakistan

- Host HTB community meetups at UMT, fostering local cybersecurity talent through workshops and networking.
- Serve as Lahore Ambassador (Jan 2026–Present), expanding outreach and mentoring aspiring security professionals.

Digital Pakistan Cyber Hackathon

Regional Moderator

Feb 2025 – Present

Remote

- Moderate regional Discord community operations, supporting participants and maintaining event standards.

Cyber Security Society – UMT

Mentor

Feb 2025 – Jul 2025

Lahore, Pakistan

- Mentored students on cybersecurity fundamentals, lab practices, and career pathways in information security.

Professional Freelancing Training Program

Cybersecurity Intern

Nov 2024 – Apr 2025

Lahore, Pakistan

- Completed structured internship covering practical security assessments, tooling, and professional workflows.

EDUCATION

University of Management and Technology (UMT)

Bachelor of Science, Computer Science

Nov 2019 – Aug 2025

Lahore, Pakistan

Professional Freelancing Training Program (NIAIS)

Diploma, Cyber Security

Jun 2024 – May 2025

Lahore, Pakistan

NAVTTTC

Certification, Digital Forensic & Cyber Security

Apr 2025 – Jul 2025

Pakistan

CERTIFICATIONS

- Hack The Box — Pro Labs P.O.O
- Hack The Box — Pro Labs Dante

ADDITIONAL EXPERIENCE

Hunarmand Punjab

Course Instructor

Sep 2025 – Oct 2025

Punjab, Pakistan

Delivered structured technical training as part of a government skills development initiative.

Cereburum Sports

Managing Partner

Mar 2020 – Present

Sialkot, Pakistan

Co-manage business operations, team coordination, and strategic growth for a sports venture.
